

# PROJECTS LEAD - INDIGENOUS ENTREPRENEURSHIP

## About Us

**Minderoo Foundation** is a modern philanthropic organisation. We take on tough, persistent issues with the potential to drive massive change. We incubate ideas and accelerate impact. We push the limits of what is believed possible. Minderoo Foundation is independent, forward thinking and seeks effective, scalable solutions. We are proudly Australian, and one of Asia's largest philanthropies, with AUD \$2 billion committed to a range of global initiatives. Our team comprises over 100 employees across seven locations.

## Generation One

Our mission is to create parity with and for Indigenous Australians, within one generation. We work with partners to secure employment outcomes for Indigenous Australians through our 'demand-led' training approach, as well as advocacy for employment and social policy reform. The demand-led approach focuses on securing employment for candidates prior to training, coordinating job-ready development programs to help candidates, and linking service provider payments to long-term outcomes.

## About the role

The Project Lead will work closely with the GenOne team to promote Indigenous entrepreneurship through the coordination of strategic projects and events, especially the national Indigenous Entrepreneur and Investor Masterclasses.

Your key responsibilities will include:

- Support and manage strategic projects that promote the growth and maturity of the Indigenous business sector and Indigenous entrepreneurship
- Manage the Dream Venture Masterclasses and Indigenous business accelerator scholarship, as well as other projects.
- Engage with external stakeholders to drive local and interstate partnerships, and collective impact
- Identify new solutions to unique challenges faced in the Indigenous business sector
- Build and manage stakeholder relationships across the Indigenous business sector, government and corporate Australia for impact
- Travel interstate and intrastate (COVID pending)

## About you

To be successful in this role you will have experience working with the Indigenous community, ideally in business, finance and/or economic development. You will have experience in project management along with the ability to deal [with](#) multiple stakeholders.

Relationships within the Indigenous community and business sector will be well regarded.

Ideally you will have you will have strong commercial acumen and investment experience with a passion for using financial expertise to make a difference on social and environmental issues.

Of vital importance is that you have a “can-do” attitude and proactive willingness to suggest improvements or develop creative solutions to challenges and processes, you can adapt and be flexible and thrive on uncertainty!

Are you **resilient** enough to bounce back up, dust yourself off and go again with **enthusiasm and a never, ever give up** attitude after being knocked back or pushed down?

Are you really **up for the challenge?**
