

Job Opportunity: Cost Controller

About Us

Tattarang is one of Australia's largest private investment groups with a portfolio that spans across agri-food, energy, resources, property and lifestyle. The group is made up of six business divisions: Fiveight, Harvest Road, SFM Marine, Squadron Energy, Wyloo Metals and Z1Z. We believe in investing for growth and pursue opportunities in both the listed and unlisted space with a long-term investment horizon.

Fiveight own, invest in, develop and manage residential, commercial and industrial property across Australia. Every project and asset in the Fiveight property investment portfolio maintains a strong emphasis on quality, sustainability and design.

About the Role

The primary purpose of the Cost Controller is to provide financial support for multiple development and construction projects across the Tattarang and Minderoo group, through effective and compliant financial governance, controls and reporting covering areas including budgeting, forecasting, accruals, journals, and cash flow monitoring.

The role regularly interfaces with Development Managers and Project Managers to achieve this. A detail-oriented self-starter, the Cost Controller demonstrates strong teamwork, problem-solving, organisational and communication skills to work effectively with multiple departments and businesses as well as various internal and external stakeholders.
